JUGHEAD NO. 142 MARCH MEMBERSHIP — TWENTY CENTS

FIRST PRIZE — $5.00

REPORTER
BETTY DORSEY
853 S. Cory Street
Findlay, Ohio

Dear Archie,

I hope the members of your club will be interested in hearing about the time my father got shocked with one of the joy buzzers that's advertised in your comic books. One night after a party everybody was shaking hands and saying goodbye to each other. One man stepped up to my father and said, "May I shake hands with you?" "Certainly," my father answered, but he didn't know what he was in for! The man started to shake hands, when the joy buzzer went off. Dad jumped about six feet into the air! Everyone there laughed. Everyone in town talked about it for two days.

SECOND PRIZE — $3.00

REPORTER
LINDA PURDIE
136 Lindbergh Drive
Aliquippa, Pa.

Dear Archie,

My name is Linda Purdie and I am 12 years old. I live in Aliquippa, Pennsylvania. My neighborhood is small but there is all sorts of activity. There is a creek where I am able to go swimming in the summer. Some of my friends have horses, so I also do a good bit of horseback-riding. In the winter the creek freezes and I go ice-skating. Several of my friends also joined your club and we are very interested in your Club News.

THIRD PRIZE — $2.00

REPORTER
ANDREA BESSAC
425 University Avenue
Missoula, Mont.

Dear Archie,

Last year my father got a grant to go to Taiwan, the Republic of China. We stayed there for a year. The Taiwanese were captured in World War II by the Japanese and you can see Japanese things there. We lived in a Japanese house and had two servants, a cook and an "amah". An amah is a combination maid and nursemaid. Around our house was a wall with glass in it. The glass was there to keep burglars out.

I went to a missionary military school and it was more like a campus. It had a swimming pool, gym, grade school, high school, dorms, houses for the faculty, dining hall, and a soccer field and playground.

The people in Taiwan are very nice and friendly. The dollar there is 2½ cents! Everything was very inexpensive. Imagine getting a haircut for 25 cents. There are many festivals in Taiwan. The little temple down the lane had a "by-by" (festival) every night. Taiwan is very beautiful and has many mountains. I think it was very educational for me to go there.

FOURTH PRIZE — $1.00

REPORTER
STEVEN HANISCH
1025 Pendergast Road
Victoria, British Columbia
Canada

Dear Archie,

This morning as I was leaving for school I found two tiny sparrows on our back porch. They had fallen out of their nest, which was up near the roof of our house. I put them in a cage with a bowl of water and seeds, and some worms. I put them out on the back porch with the cage door open. When I got home from school they were still in the cage, but had an audience of sparrows who were sitting on the back porch railing. I guess they were encouraging the little birds to fly.

Later, I phoned the S.P.C.A., explained my problem, and asked what I should do. The man there told me I had done the right thing. He said to put them on the floor of our porch. I did this and although it took a little while, they finally flew to a tree in our yard—to their mother, I think. She fed them.

A while later I noticed that one of them had fallen again and was caught in a bush. I picked it up on my finger and threw it into the air. The little sparrow flew straight back to its mother, and they seemed very happy.

FIFTH PRIZE — $1.00

REPORTER
EDIE MILLER

Charleston, W. Va.

Dear Archie,

I am a new member of your club and I suppose I should tell you a little bit about myself. I am eleven years old and am in the fifth grade at Kanawha City Elementary School. My favorite sports are tennis and swimming. I collect pennies and dolls. I also enjoy playing the piano and reading. I have a huge stack of Archie Comics.

SIXTH PRIZE — $1.00

REPORTER
VERONICA McGUIRE
Doe River

Canada

Dear Archie,

Last summer my sister and brother were putting grain in our grainery with the auger. They had been doing this for some time and had about $800 worth of grain stored when the grainery caught on fire. My sister yelled at me to get my father who was out in the field hauling bundles with a friend. I started off across the brush on foot but my brother said take the bicycle. When I got to the field I had to continue on foot because it was rough ground. I finally got to my father. He told me to get on the tractor, so I did. We took off in the highest gear and then my father told me to jump off the tractor so I wouldn't fall off. By the time my father got home, my mother, sister, and brother had put the fire out. When I got home I found out that I had done all that running for nothing!
